- 3/31 - Ellington

March Newsletter

This Month

Spring is almost here! It is hard to believe! First up, we learn about *Life On A Farm*, taking a closer look at the animal life and products that come from a farm! Then, we will focus on Ireland, wear green and celebrate *St. Patrick's Day*. Be sure to send your child in their best green gear on Monday 3/17! Next up, we say *Good-Bye Winter, Hello Spring*, as we learn about the changes Spring will bring! Lastly, try out our green thumbs with a week learning all about *Seeds, Flowers and Plants*. We have so many fun and exciting things planned this month!

Thank-you to everyone for all of the wonderful Valentine's Day Treats! It was a fun filled day, with Music Time with Mr. Max, lots of Valentine cards and treats for our Goodie Bags and scrumptious desserts!

Happy Birthday PPA

It is hard to believe, but Pasadena Preschool Academy is 6 years old! We are very appreciative of all of our wonderful families that have been a part of our Journey. As a little thank you, please join us Monday, March 3rd (in the morning when you drop off) for some yummy breakfast treats, coffee and orange juice. We will have treats set up in the **Infant Kitchen**, in the **Preschool Teacher Lounge** (near train) and in the **Main Building Staff Lounge** (by the office).

Summer Performance/Graduation

Save the date!!! Our Summer Performance & Graduation Ceremony will be at Monrovia High School on **Wednesday, June 10th—time tbd.** More details to come, and we will be sending out forms for families to confirm if their child(ren) are participating. Our dance and music teachers are busy planning our routines for our children, so please let us know ASAP if your child cannot participate.
