This Month

This month, we continue our trip around the world— with our and kicking off the 4th of July weekend with our theme, “Party in the USA.” Then, we will go on a “European Exploration” with another Virtual Tour— this time of a Museum. Next, we visit the “Jungles of South America” learning all about the Amazon. Afterwards, we head to a “Polynesian Paradise” learning about Volcanoes and tasting tropical smoothies! Finally, we go on an “African Safari” with Wild Animal Karaoke time and a fun Movie Day! We can’t wait!!!

Virtual Field Trips at PPA are really cool!!! Last month we took an Underwater Tour & visited various National Monuments—virtually!

Happy 4th Of July

Have a Happy and Safe 4th of July Holiday! As a reminder, we are closed on Friday, July 3rd. If you are planning to take time off the first week of the month, please notify your child’s teacher. We have staff who would love an extra day off, so it helps to know how many children we will have that week.

COVID Reminders

- Face covering/masks are required at drop off./pick up. This includes children over two years of age.
- Please give other families plenty of space at drop off/pick up.
- Please bring and use your own Pen (but we have extra if you forget).
- All items should be brought to school in Ziploc bags (with their name on it). These bags are being sanitized upon entry. Amazon has several versions of these large Ziploc bags available that are perfect for bedding/sprinkler play days.
