This Month -Autumn is here! We are excited to learn all about Fall! First, we will be learning about various **“Nocturnal Animals.”** Then, we explore a tasty theme, **“Pumpkins,”** learning all about this tasty squash! Next we get ready for Halloween with our theme, **“Creepy, Crawly Halloween Fun,”** with lots of spooky and silly lessons planned. We finish up the month looking at **“Healthy Nutrition”** focusing on the Food Groups and the importance of eating a balanced meal. Another fun and exciting month here at Pasadena Preschool Academy!

Playtime has changed at PPA, with social distancing, and plenty of independent play with our various Table Top Activities which are both fun and educational.

Halloween -As everyone knows, 2020 has had many disappointments. Unfortunately, Halloween is no exception. For PPA, our Annual Harvest Festival and our Costume Parade are two of the highlights of our year. This year may look very different, but we refuse to let it ruin our day! Weather permitting, on Friday 10/30, we will have an Outdoor Photo Booth set up so you can take a quick picture of your kiddo before you drop off. The 2-5 year old classrooms will each have Cookie Decorating and Class Dance Parties. PPA will also be providing and safely packing up goodies in Goodie Bags for each child to take home. If you would like to donate snacks or small toys, please note that the item **MUST** be 1.) Store bought (We cannot accept anything home-made) and 2.) Pre-packaged (in its original packaging). For example you can send a sealed box of individually bagged snacks, but not a goodie bag that you put together yourself. All donated items should be given to us no later than **Wednesday 10/28** so that we have time to pack everything up. **If you have any questions– please email Ms. Lisa.**

We Love Books–Place your October Scholastic Book Order Online by **Friday, October 2nd**. Books should be delivered before Halloween. **Connect to Our Class Page:** <https://orders.scholastic.com/Q696F>
